The Association of Scholarship Holders and Friends supports the objectives of the *Baden-Württemberg-STIPENDIUM* by establishing and fostering a global network between scholarship holders, the Baden-Württemberg Stiftung and all institutions interested in the scholarship program.

With the *Baden-Württemberg-STIPENDIUM*, the Baden-Württemberg Stiftung enables young people from Baden-Württemberg to spend some time abroad and invites foreign scholarship holders to get to know Baden-Württemberg.

Stiftung 

NETWORKING FOR THE FUTURE – JOIN IN!

Who we are

An association of scholarship holders, alumni, friends, supporters and all universities participating in the program.

What we do

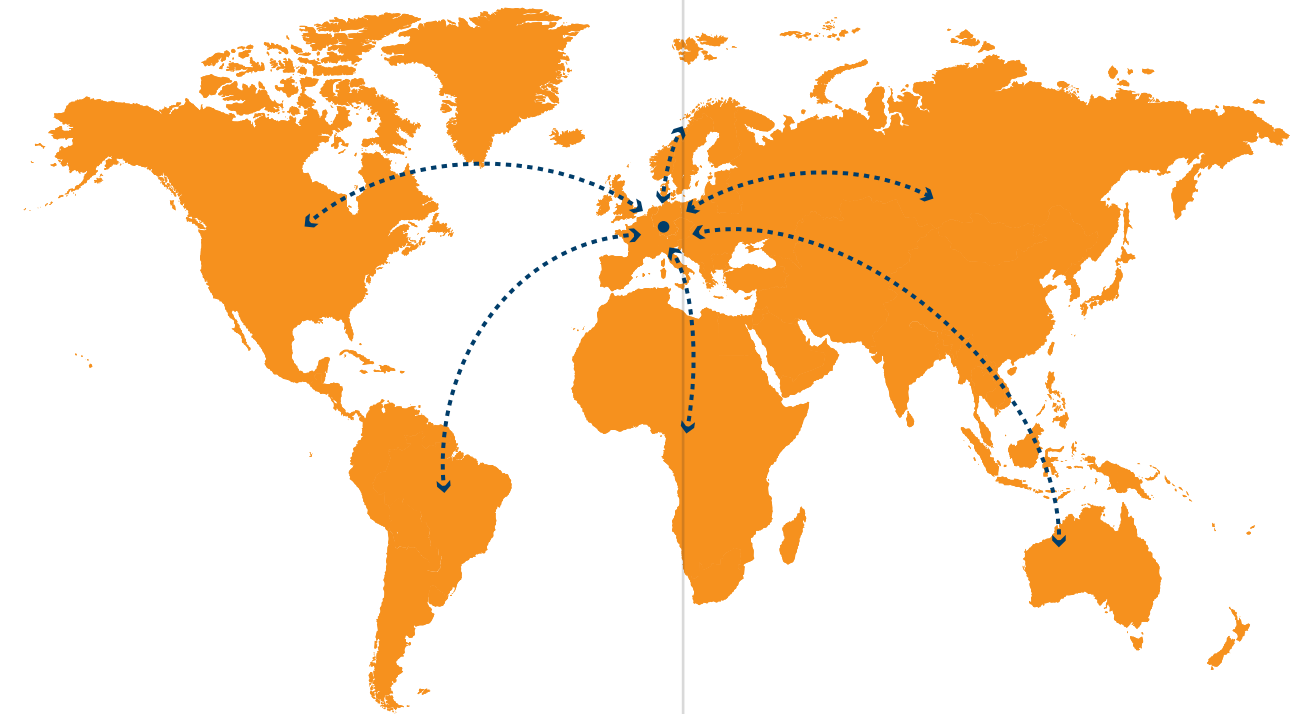

The Association of Scholarship Holders and Friends of the *Baden-Württemberg-STIPENDIUM* promotes the international network of all people and institutions connected with the *Baden-Württemberg-STIPENDIUM*. Since the Association's establishment in 2003, we actively and specifically support the *Baden-Württemberg-STIPENDIUM*. We are convinced that it should be more visible and better known at universities as well as in business and society as a whole, especially in regard to its uniqueness. We are deeply committed to the ideals of education and international understanding.

What we offer

Exciting excursions, tours of companies in Baden-Württemberg, concert visits at the regional universities of music, workshops and much more. With all our activities, we promote the mutual acquaintance of people from all over the world and the experience of our federal state's culture and at the same time actively expand the global network of the *Baden-Württemberg-STIPENDIUM*.

Who does what

Scholarship holders and alumni are actively engaged in the network, thus contributing sustainably to international exchange. To support this cause, institutions, companies and universities open their doors to allow a look behind the scenes and facilitate exciting personal encounters. As these activities are funded by our membership fees, the Association is able to offer exclusive participation at a low cost.

REGIONAL CHAPTERS – CONNECTION POINTS ALL OVER THE WORLD

Get in touch with the Regional Chapter at your place of study. Get connected with other scholarship holders or alumni. Get engaged and plan your activities with like-minded people.

Regional Chapters can be found in Cameroon, Columbia, Mexico, as well as in Baden-Württemberg and other German cities.

The Association supports the establishment and the activities of your Regional Chapter ideally, organizationally and financially. Take part in the international network of the *Baden-Württemberg-STIPENDIUM*!

SUPPORT OF THE REGIONAL CHAPTERS

How it works

- ① Submit an application with a description of your project, date, number of participants and estimated costs.
- ② The Board will inform you about the project's approval.
- ③ Carry out your project.
- ④ Submit records and a report with photos.
